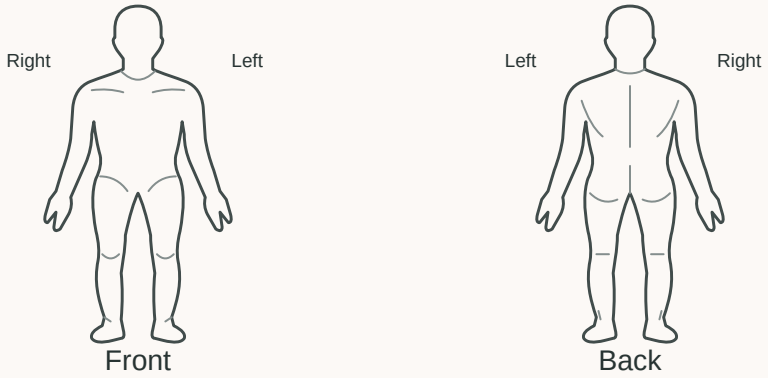
Name _____ Visit date _____

Mark where you feel it

Side (left, right, or both) _____

Write a letter where you feel each symptom. Use more than one letter if needed.



N Numbness **P** Pins & Needles **B** Burning / Aching **S** Stabbing

What I want my physician to know

Note which drill first causes pain and what happens if that drill ends or changes.

I used to be able to… Now I struggle with…

_____

It started… It feels better or worse when…

_____

I've tried… It helped for…

_____

The main thing I want to decide or do is…

_____

What to bring or send

Bring a short practice log with drill length, effort, rest, and symptom timing.

- ☐ Prior images and written reports, if available
- ☐ Checked the scan date, body area and side
- ☐ Confirmed the office can open the image files
- ☐ Relevant visit and therapy notes, medication and allergy list

Image date, type and where it was done

_____

What I still need to request or confirm

_____

Questions to ask

- ☐ What details about the drill help you understand the symptoms?
- ☐ Which part of my training should we review before the next practice?
- ☐ If I have prior images, would they help answer today's question? Would another test change the plan?

What will I do next, and when will we check in?

_____

One small improvement I want to notice

_____

Notes from my visit

_____
